

Down and Dirty 5km Obstacle Course – Committee Member: Course Take Down Coordinator

Our strategic goals at the Alberta Cancer Foundation are focused on helping Albertans every step of the way. They include: prevention and early detection/screening; diagnosing cancer early, reducing its risk, improving the effectiveness of treatment and improving the care and quality of life for patients and families.

Fundraising events such as Down and Dirty 5km Obstacle Course is vital in helping the Foundation reach our goals of investing \$20 million dollars annually across the province.

This role would work closely with event organizer, Dr. Rob Deltombe, to recruit 10-15 volunteers for the take down crew.

Responsibilities:

Specifically this role would be responsible for:

- Recruit 10-15 volunteers for the take down crew.
- Develop course strike plan with input from event organizer, Dr. Rob Deltombe.
- Initiate course strike in the afternoon of race day starting with the kiddie course and then moving to the main course.
- Transporting all course stakes and ribbon and other material to loading area where items will be packaged accordingly.

Time commitment:

- Ongoing with recruiting volunteers
- Day of race – 3pm until 8pm.

Skills:

To be successful in this position it is beneficial to have the following knowledge, skills and abilities:

- Organizational skills
- Ability to work as part of a team
- Awareness of Alberta Cancer Foundation, its mission, vision and values

This volunteer role reports directly to:

- Dr. Rob Deltombe, volunteer event organizer for the Alberta Cancer Foundation

Following your contribution will be an informal dual feedback process where the Alberta Cancer Foundation and volunteer can determine if contribution to the event meets desired outcomes as outlined by event organizer.

Thank you for your interest in supporting the Alberta Cancer Foundation and for making life better for Albertans facing cancer.
